Orangutan Awareness Week 9th - 15th November 2009

Orangutan Appeal UK is hoping to kick off this years 'Orangutan Awareness Week' by setting their Liaison Officer (Hayley Bagnall) the physical challenge of climbing Mt. Kinabalu.

This special fundraising event will take place between
8th - 10th November

On reaching the summit of Mt Kinabalu, the Appeal's Liaison Officer will dress in **full orangutan costume** and gather **members of the public to join in revealing a large banner** to launch the week long campaign.

The aim is to raise awareness and raise vital funds to help support the work of Orangutan Appeal UK, in Sabah, Borneo.

Orangutan Appeal UK has been working hand in hand with Sepilok Orangutan Rehabilitation Centre since 2000.
